

Seiler Instrument Company

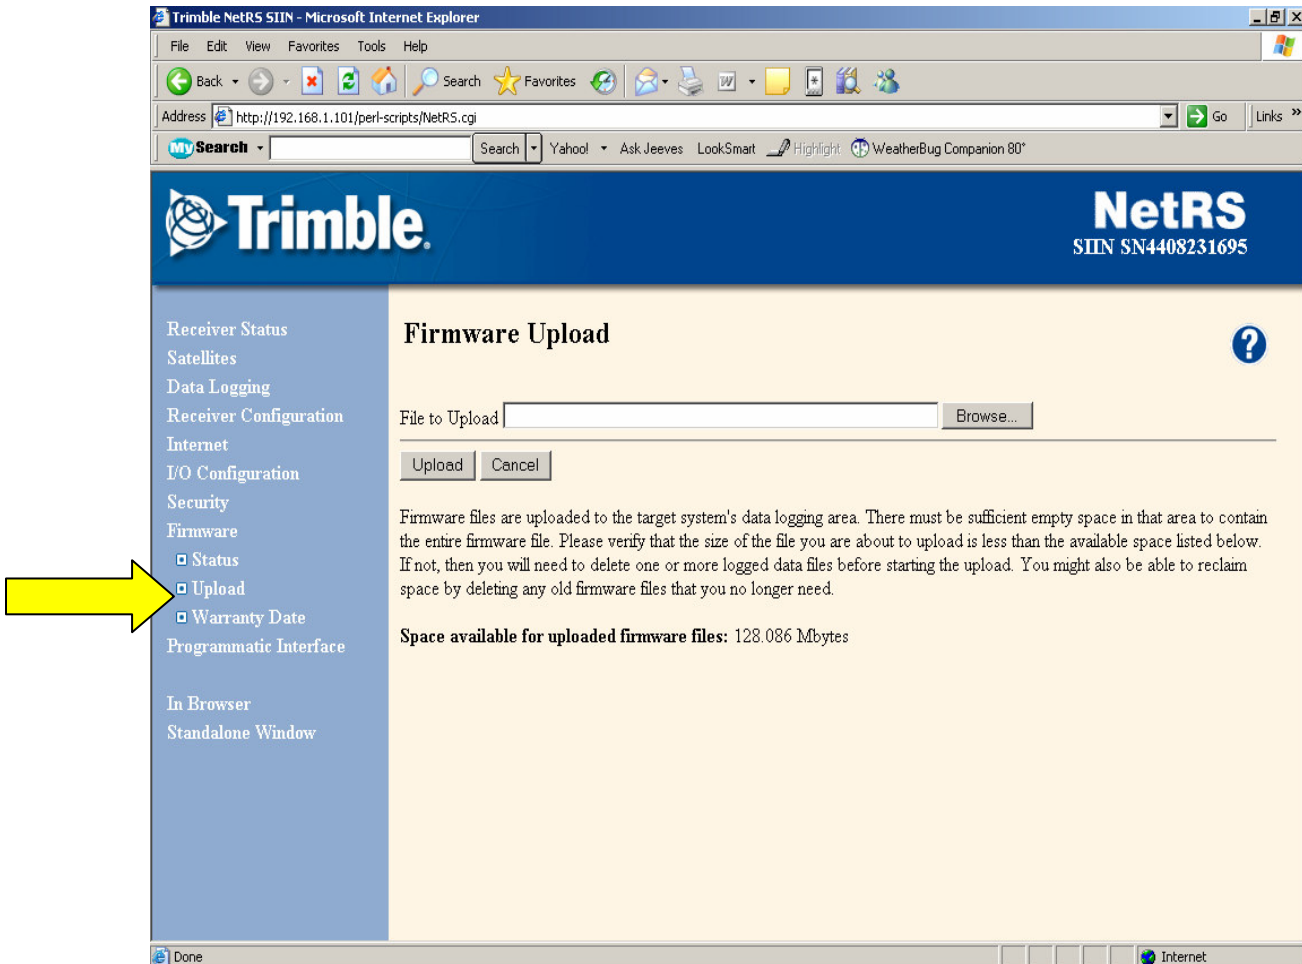

NetRS Firmware Installation

PREPARED BY:

JIM WYANT

Launch a web browser and key in the IP address of the NetRS receiver in the *Address* field.
Click *Firmware* on the left side of the page.
Click *Upload* and browse to the location you have the firmware file stored on your pc then click *Upload*.

Click on *Status*, then click *Install*. This will install the firmware on the receiver.
